Thanks for these.

I've made a range of comments on the first letter (4 Freedoms) – these points need to be picked up in all four letters.

I've also made comments on the substantive points only in the 2nd and 3rd letters [redacted]

I've no comments on the substantive points in the 4th letter [redacted], but it will still need the points from the 1st letter to be picked up.

6 November deadline is pretty tight. I realise we've taken rather a long time to get our letters written, but can you and Bob consider whether there is a case for giving them any longer than 2 weeks to respond?

Thanks

Peter
